Cruise the Mighty Rivers of the Pacific North West
Follow the PIONEER'S TRAIL along the Snake & Columbia Rivers

The air's so clear you'd like it bottled!

The scenery's breathtaking, the wildlife abundant and so is the wine.

A place of wide rivers, gorges and waterfalls, mountains and forests, home to big horn sheep, osprey and eagles, laced with the historic legacy of America's early pioneers. Our replica gold rush steamer provides a comfortable base enabling us to explore our surroundings: walk, cycle or simply watch the scenery slide by.

Friday 13th SEPTEMBER 2019: SPOKANE, Washington: Davenport Hotel

We assemble at the Davenport Hotel, a landmark building dating from 1914 and listed on the US National Register of Historic Places. Its lobby was inspired by the 'Spanish Renaissance' and has a large glazed atrium. Overnight accommodation.

Saturday 14th September 2019: SPOKANE & Ship

After breakfast, we have time to visit the **Arts & Culture Museum** housing one of the finest collections of indigenous artefacts in the Northwest. As we transfer to the ship, we travel south through the mountains of north east Oregon to Clarkston, (2.5 hour drive) where we are welcomed on board with champagne and canapés.

Saturday 15th Sept: HELL'S CANYON

An introduction from a **Nez Perce tribal member** sets the scene for our adventures in this land of Pioneers. We hear the story of **Lewis & Clark**, sent by Jefferson in 1804 to open up the North West before we embark on a local boat to enter America's deepest Canyon. Carved by the **Snake River**, Idaho's '**Seven Devils**' mountain peaks tower above, steep cliffs hem in the river, wildlife is abundant and diverse including bighorn sheep and eagles. We stop for a picnic before returning to our ship for the afternoon and dinner.

Mon 16th Sept: SNAKE RIVER & PALOUSE FALLS PARK

A truly scenic section of the Snake River precedes our entrance into the **Palouse River**. Binoculars will be essential today to catch the waterfalls and varied birdlife, as our ship passes dams and locks of the Snake River. We can walk through territory alive with **tribal legends** and stories to gaze down into the canyon or stay below to do some **kayaking** or perhaps take a dip in the Palouse River itself.

Tues 17th Sept: Washington Wine Country & Richland

A change of style this morning, as we visit the warmest and **smallest vineyard** region in

Washington benefitting from the unique combination of climate and geology. The unusual soils produce wines of superb concentration and depth which we experience during our **private vineyard tour** and tasting at the family-owned **Terra Blanca Estate** gloriously located in the **Yakima valley**. After lunch we can work it all off with a walk or bike ride along the **Columbia river trail** followed by an evening's cruise and perhaps a visit to the Bridge.

Wed 18th Sept: Deschutes River

Today it's all about the river, whether you choose a rafting adventure (Class 2 & 3 rapids, kit and wetsuits provided), explore the river canyon or have a **dip in a river pool**. We'll **picnic** beside the river, with a walk or bike ride in the afternoon, ending the day with **river-side cocktails**.

Thurs 19th Sept: Rowena Plateau & Columbia River Gorge

Striking landscapes and land forms surround us today, from basalt lava flows carved into riverside cliffs while wide rolling plateaux and peaceful lakes provide a contrast. Our activities vary between walks through the **Nature Reserve** which surrounds the river, or we can take a bike and explore the **orchards and farms** of the **Hood River**, producing excellent cider, or simply enjoy the peace of life on board ship with a book and stunning views.

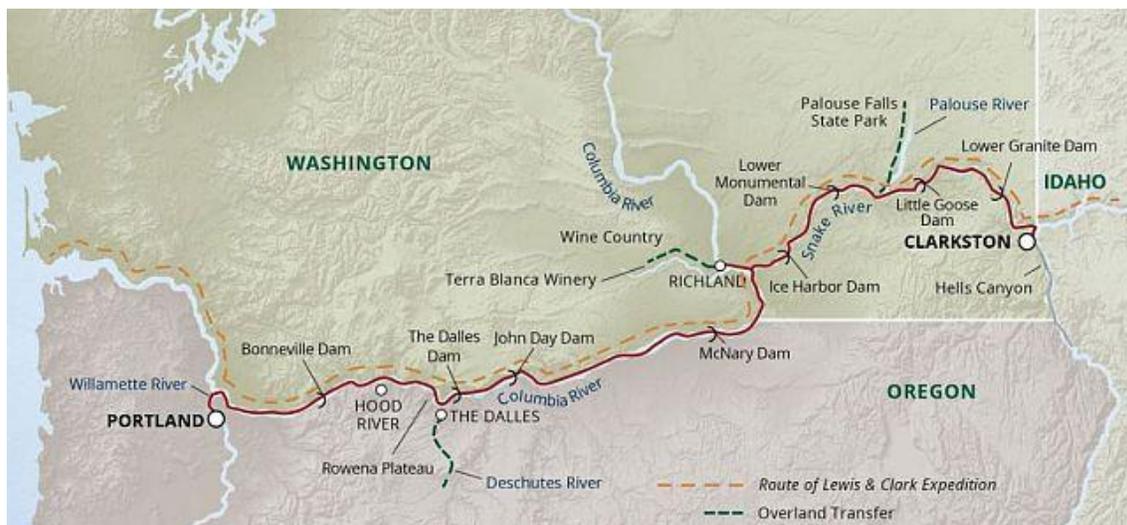

Fri 20th Sept: COLUMBIA RIVER GORGE & THE MULTNOMAH FALLS

Our ship descends slowly through the dramatic flight of **Bonneville Locks**, named after the early explorer who charted much of the Oregon Trail. When built in 1938 this was the **highest lock lift in the world** and still lifts ships 10 times higher than the Panama Canal. We have a private tour, see the fish ladders created for the leaping **Coho Salmon** at their most plentiful in the autumn: at the base **Californian sea lions** await their prey. We can walk through the **temperate forest**, opt for a steeper climb to the **Wahkeena Falls** or simply stay on board. Our final stretch of river cruise takes us eighty miles through the **Columbia River Gorge** cutting 4,000 feet through **Cascade Mountains**.

Sat. 21st Sept: PORTLAND

A last delicious breakfast before we disembark in **Portland**, famous as the world's tenth cleanest city. Either take the transfer to the airport, or perhaps stay in town to visit some of the city's attractions - roses, bridges, a giant book store, quirky 'food carts' and the **Audubon Wildlife Sanctuary**.

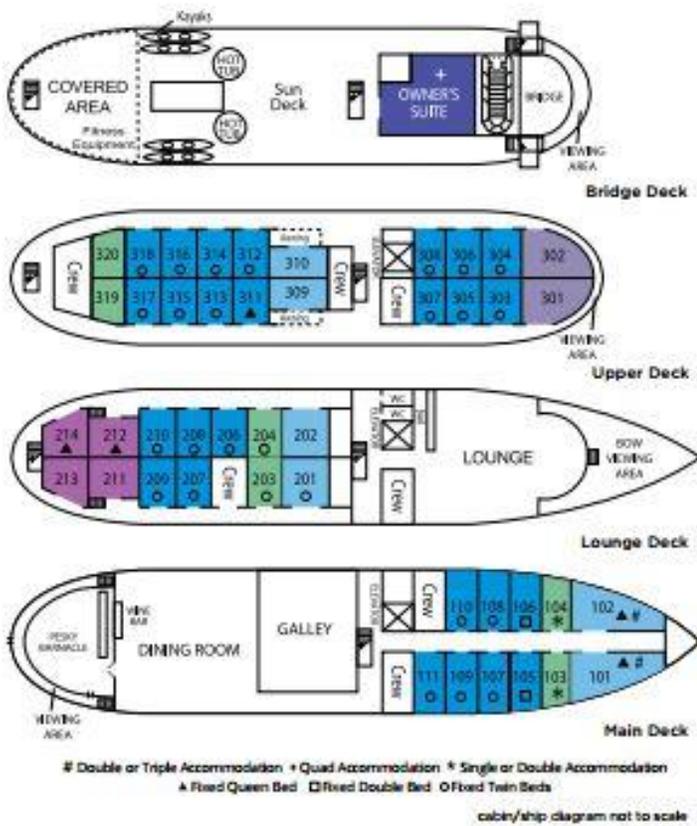

OUR SHIP: The S.S. Legacy (44 cabins) is a replica 1898 gold rush steamer, with old-world charm, a dancefloor and piano but with the modern twist of a lift and hot tubs. There is a Library, Bar, both the Dining Room and Lounge have wide-view windows, access to the bow provides wonderful viewing, and expedition equipment (kayaks, paddleboards, inflatable skiffs, hiking poles & yoga mats) is available. Open Bridge. There is no laundry, but driers are available.

“Luxury with Adventure.”

Wining & Dining: delicious, generous food is very much a feature of the S.S. Legacy. The day starts with early morning fruit and pastries followed by a full breakfast. Lunches are light with soup, pasta and salads: canapés precede a dinner of several courses using local ingredients accompanied by spirits, wine and local microbrews.

Cabins: have a TV/DVD player; hair dryer, bathrobes, binoculars; reusable water bottles and a safe.
